

Update Your SentiLock lockbox Firmware Today!

Five easy steps, some Christmas lights, and you're done!

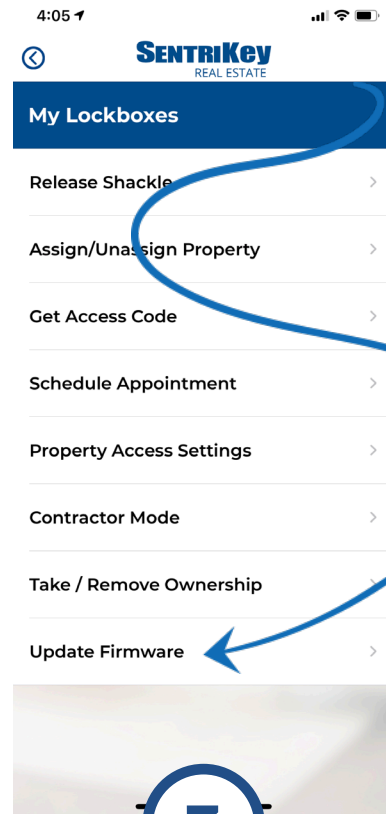

1

Click Hamburger Menu in SentiKey Real Estate App

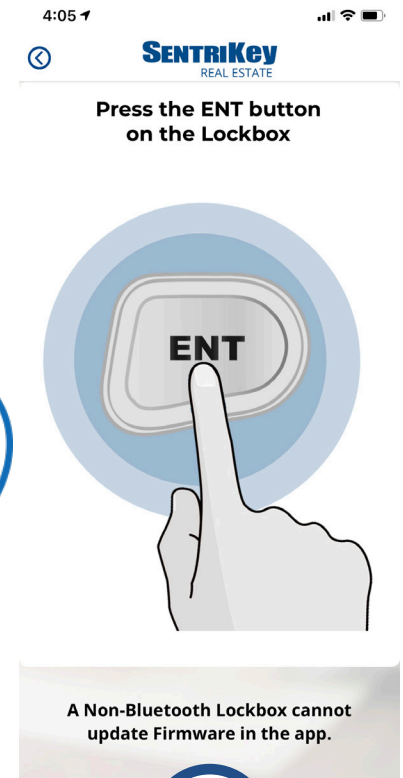

2

Choose 'My Lockboxes'

3

Scroll down to 'Update Firmware'

4

Press Enter on lockbox

5

SentiKey Real Estate app will tell you if the Firmware is up-to-date or give you the option to update - wait for Christmas tree lights to finish and you're done! (can take several minutes). **Repeat for each lockbox.**
